The background of the slide features a medical-themed image. On the left, there is a red fabric, possibly a medical drape. In the center, a blue surgical mask is visible, with the word 'MEDICAL' partially legible. A silver stethoscope is draped over the mask and the red fabric. On the right, a white medical glove is partially visible. The overall image is slightly blurred, giving it a professional and clinical feel.

The background is a gradient of blue shades, transitioning from a lighter blue on the left to a darker blue on the right. In the lower right quadrant, there is a faint, stylized illustration of a hand holding a smartphone. The hand and phone are rendered in a darker blue color, blending into the background.
